SMARTO ONE-STOP SMART TOILET PRODUCTS & SERVICES

PHOTO & MEASUREMENT GUIDE

Four photos for a quote

Send available photos, measurements and your installation address.

01 Distance A

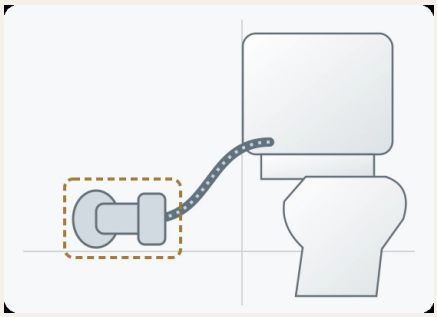

Place the ruler as shown; keep the measurement visible.

02 Front view

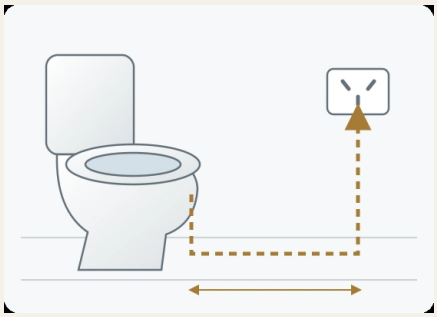

Show the complete toilet, cistern and water valve.

03 Water valve

Show the valve and connection, including any rigid metal pipe.

04 Distance to power point

Show the full route. If further away, send a continuous video from toilet to outlet.

Special requirements

Tell us about concealed cisterns, rainwater or recycled water.
Cable trunking: $11/m incl. GST. New power points: ask for pricing.
Raisers or rails: send available photos, model, specifications or product link.

Email your photos and address
