OT / organisation email

Distance A: mm (if known – see photo 02 below)

FOUR PHOTOS FOR YOUR QUOTE

01 A photo of the entire toilet

02 Distance A

Place the tape measure as shown and take a photo clearly showing the reading.

03 A photo of the water valve

Flexible hose
No extra charge

Rigid pipe
$20 + GST replacement fee

04 A photo showing the toilet and power point

Show the toilet and power point together. If far away, send a continuous video.

TIPS • Water connection

- **Can't see an external water valve?**
  No worries! Just let us know and we'll take care of it.
- **Concealed water tank system?**
  Please send a photo showing both the toilet and the nearest basin tap.
- **Using rainwater or recycled water for flushing?**
  Please let us know. We'll assess it on site. Additional charges may apply.

TIPS • No power point? No problem!

We can arrange installation of a new power point for you.

REMARKS

1. All SMARTO® products feature built-in backflow protection designed to comply with applicable Australian standards.
2. If you are using or planning to use a toilet seat raiser, please measure its dimensions and provide clear photos.
